1. If you like this course, you can suggest it to others. If they sign up based on your suggestion, you will receive a referral bonus.
2. You can connect an unlimited number of people under your account. However, adding members below you is not mandatory.
3. This system operates automatically. Any earnings you receive are split, with 50% required to be paid to the member directly above you (Up line). Until the payment is approved by the Up line, your ID will remain inactive.
4. Each time you receive earnings, you must pay 50% to your Up line as per the table provided below.
5. Occasionally, you may not owe any payment immediately, but the next time you receive earnings, you will be required to pay the 50%. In some cases, this required payment may be higher than the previous earnings.
6. Before making payments to your Up line, always verify the details provided by the system. Each payment may not be identical, so be sure to check the information carefully each time.
7. If your ID is inactive, you will not be eligible to receive any earnings from members below you. Until your ID is reactivated, any payments intended for you will be directed to the ID above yours, and these transfers cannot be undone.
8. The entire system is automated. If any system errors occur, the company is not responsible for any losses. The company's decision is final in such cases.
9. The company reserves the right to change rules and decisions as needed.
10. It is compulsory to Remain ACTIVE for this.
